**e:volve  
your  
business  
to make it  
simple,  
fast,  
and secure.**

e-Cheques is exactly what you need when you're trying to move your business forward!

Faster, simpler, more secure. NO PAPER, NO QUEUES, AND NO HASSLE.

Whether a corporate signatory, an individual, or a small-to-medium sized business owner, it couldn't be easier.

Simply head down to your local branch. Register your current or business account. Fill in some details and you're off.

If individual, you can do it all through your BenefitPay app.

It really is that simple, fast, and secure.

So what are you waiting for?

## E-CHEQUE SERVICES

E-Cheque is a new initiative by the Central Bank of Bahrain enabled by BENEFIT Co. E-Cheque services are available for individuals as well as corporate current account customers. Corporate Customers can register and subscribe for this Cheque Truncation System through banks and individual current account holders can register from Benefit Pay application for an electronic cheque book.

Advanced concept of E-Cheque clearing system, enables customers to avoid hassles of issuing and depositing a paper cheque. This service enables our customers to transact from anywhere in the world. E-Cheque is a new inventive service that will transform the way of cheque transactions. This service will eliminate all the logistical difficulties of delivering and depositing a paper cheque because of its electronic features. It's very fast and convenient service for the customers.
